DYNAMIC WELLNESS DUO

~ RETREAT HOSTS ~

NAOMI GILLIGAN is a dedicated holistic nutrition and Health counsellor, and Seasoned Kinesiologist. She is the sole proprietor of her business, *Naomi4wellness*, where she focused on improving comprehensive client wellbeing with compassionate and knowledgeable support. In her practice, she balances 4 key health pillars: Nutrition, Exercise, Stress and Sleep.

Naomi also works in a multidisciplinary clinic as a practicing kinesiologist (*Catalyst Kinetics*, Burnaby, B.C.). With over 11 years of experience in this field, she helps a wide range of clients reach their active health and injury rehabilitation goals, including athletes.

Naomi has been an active body throughout her life, and an outdoor enthusiast. She has been an avid soccer player, recreational athlete, and strives to be a leader in the health and wellness space through her education and life journey. As a sole parent of two boys, she proactively aspires and works to achieve a healthy life balance with a vast range of wellness tools and strategies, while inspiring and educating others to do the same.

~"Life is Not about finding yourself, it's about Creating yourself."

ALLY BRADSHAW brings over 10+ years of practical experience leading clients in private and semi-private training, classes, as well as local workshops and international retreats. Blending her background in kinesiology, yoga and pilates, she thrives on teaching you how to reconnect to and realign your body through movement. She specializes in neuromuscular training, pelvic floor and core education, functional training, injury specific rehabilitation, meditation and breath-work.

Ally has a contagious enthusiasm and passion for bringing health and wellness to the lives of others. She hopes to inspire others to explore movement and mindfulness, and to make personal well-being their top priority. Ally firmly believes that "it's not just about showing people how to move, but providing them with necessary tools to attain their highest level of health and to maintain it with confidence."

When not in the clinic (*Catalyst Kinetics*, Burnaby, B.C), studio, or studying, you can most likely find Ally practicing yoga, running, off-roading, paddle boarding, camping, or hiking with her pup .
